AUDITORS' REPORT

To the Board of Trustees of
The Thunder Bay Foundation.

We have examined the General Fund, Robert Kerr Dewar, M.D. Scholarship Fund, Joshua Dyke Family Scholarship Trust Fund, and John Adams Trust Fund balance sheets of The Thunder Bay Foundation as at December 31, 1985 and the statements of capital and operations and surplus of each of those funds for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion, these financial statements present fairly the financial position of the Foundation as at December 31, 1985 and the changes in its capital and the results of its operations for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

THE THUNDER BAY FOUNDATION

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1985

1. Marketable securities

The Foundation has not adjusted its financial statements to reflect a decline in the market value of certain marketable securities below cost in the amount of approximately \$88 as at the year end. It is the opinion of the Trustees of the Foundation that the decline is temporary in nature and there is therefore no intention to dispose of these securities if significant losses would result.

2. Mortgages receivable

The Foundation has first open mortgages receivable which are being repaid in minimum monthly instalments of \$1,942 in total including interest charged at 12%.

3. Capital receipts

(a) Robert Kerr Dewar, M.D. Scholarship Fund -

During the year the Foundation received \$7,500, \$25,000 to date, towards this fund which will be used to award medical scholarships. It is the donor's expressed intention that this total of \$25,000, together with accumulated interest thereon, will form the capital base. Future awards will then be made from the interest thereon.

(b) John Adams Trust Fund -

This fund, which was established in 1983, was used to help defray the medical expenses of the late Mr. John Adams. During the year, a total of \$5,771 was disbursed to Mr. Adams as follows:

Current year's income	\$ 980
Capital	<u>4,791</u>
	<u>\$5,771</u>

4. Commitments

The Foundation entered into an agreement with the United Way of Thunder Bay to rent office space at a cost of \$1,200 per year for the next four years.

5. Commitment for future donations

During the year, the Foundation approved a commitment for annual payments of \$10,000 to St. Joseph's Heritage commencing in 1985. Since the future payments are to be funded out of future revenues, no liability has been set up to reflect the remaining \$40,000 balance of the commitment.
