About the Friesen Jones Family Bursary

The Cliff Friesen and Susan Jones Friesen are excited to announce the creation of the Friesen Jones Family Bursary. Susan created the Bursary to support individuals under the age of 29 that have been in the care of the Children's Aid Society of Thunder Bay who have graduated or will be graduating from high school and pursuing post-secondary opportunities. Like the mission of the Children's Aid Society of Thunder Bay – "to protect and enhance the lives of children through strengthening families in partnership with our community" – the Friesen Jones Family felt a strong desire to continue to protect and enhance the lives of these former children, now young adults, by contributing to the educational success. As a long time educator and advocate for the Children's Aid Society of Thunder Bay, Susan Jones Friesen has joined with her philanthropist husband Cliff to established this bursary as a partnership with the Thunder Bay Community Foundation.
