

About the Scholarship

Ross A. Wilson graduated in 1949 from the University of Toronto with a Bachelor of Science in Forestry. He worked for several forestry companies before joining the Science faculty of Hammarskjöld High School in 1964. He became the Vice-Principal and continued to teach until his early retirement in 1984. Mr. Wilson enjoyed his teaching career at Hammarskjöld and wished to give something back to the school that provided him with so much. In 2003, he created a scholarship endowment fund. The first scholarship was awarded in 2005.
