AUDITORS' REPORT

To the Board of Trustees of
The Thunder Bay Foundation.

We have examined the statements of capital fund and capital assets of The Thunder Bay Foundation as at December 31, 1972 and the statement of receipts and disbursements for the year then ended. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Foundation as at December 31, 1972 and the results of its operations for the year then ended, in accordance with generally accepted accounting principles, applied on a basis consistent with that of the preceding period.
