Scholarship Information

The Thunder Bay Community Foundation is honoured to welcome our newest scholarship award. MNP has created an accounting scholarship in recognition of their partner, colleague, friend, and philanthropist, *Paul Fitzpatrick, FCPA, FCA*.

MNP is one of the largest full-service chartered accountancy and business advisory firms in Canada. They want to acknowledge a successful career in public accounting that integrates professional success and community support. We feel this is the embodiment of successful leadership which Paul demonstrates on a daily basis in career and personal life. ***This award will be given to a student going into their 3rd or 4th year accounting program at Lakehead University.***
