Scholarship and Bursary Program Highlight

Each year, the Thunder Bay Community Foundation helps numerous students achieve their post-secondary studies through their annual Scholarship and Bursary Program. Whether they're going into a Nursing Program or a Science Program, there are many Scholarships and Bursaries to be given out to Thunder Bay and District graduating high school students.

Without the support of their generous donors, the Thunder Bay Community Foundation could not do what it does. The Thunder Bay Community Foundation is passionate about our community, and that's why for over 50 years, they have created a variety of flexible ways to give. They make it easy to realize your philanthropic ambitions and support our community's well-being, now and for the future.

Mike Belliveau, Chair of the Thunder Bay Community Foundation Board of Directors says, "Our donors are an integral part of the Thunder Bay Community Foundation. Their generosity provides education, programming, and resources for students and non-profits in our community each year. When donors establish a Scholarship or Bursary Fund, they're not just helping out a student today. They're investing in the education of our youth so we can all benefit as a society in the future. Donors of the Thunder Bay Community Foundation care about our community and want to make it a better place. On behalf of the Board of Directors, thank you to all our donors for making a positive impact."
